Wedding Services Price List

JT combines traditional wedding photography for “must-have” portraits with today’s documentary approach to produce a blend of images that unobtrusively capture people, places, emotions, events and details of your wedding day.

Each package includes wedding coverage by JT and a second photographer.

Each package can be customized to suit any bride’s unique requirements; so if you are having a very small wedding, for example 2 hours on a beach, we can easily custom-craft a package just for you.
